

WRITTEN CONSENT FOR SPORTS FIXTURES FOR 2017-18

Dear Families,

The PE department would like to request that if your son or daughter is selected to represent Manor Academy during the 2017-18 academic year in sport, that you will hereby give them consent to attend any fixtures or competitions.

This is initially to confirm that you agree to allow them to participate in any sporting event over the year, which in turn will prevent letters being sent out on a regular basis. Furthermore, we will then only have to send you an email or text message a few days before the event to inform you that your child has been selected to represent Manor Academy.

This year we aim for every child at Manor to participate in at least one sporting event and with your consent, we will be able to achieve this. All events will take place during school hours (unless stated), therefore pupils will be returned to school in time for their regular transport.

If your child receives Free School Meals (FSM), they will be given a packed lunch provided by school for any event. Alternatively, if your child does not receive FSM, please may I ask that you provide an appropriate packed lunch for the day and plenty of water. No sweets or fizzy drinks will be allowed and will be confiscated by staff.

Pupils will be informed of what they need for each particular event and this will also be sent out via text prior to the event.

Please can you ensure that you have completed the relevant PE letters given to ALL pupils stating any specific medical information for your child.

Please may I ask that you return all letters as soon as possible as a number of sports fixtures will be taking place very soon. The sporting calendar is currently on the school website therefore please check this for regular updates.

If you have any queries please contact Mr Grainger; agrainger@manoracademysale.org

Many thanks

Mr A Grainger
Head of PE
