

Manor Academy - Year 7 Catch Up Premium Report

The Department for Education has made available additional funds for improving the attainment of our disadvantaged pupils, known as the year 7 Catch-Up premium. The funds are primarily aimed at improving Maths and English levels at key stage 2. An allocation is made for every pupil who has not achieved a Level 4 in reading and/or writing at Key Stage 2 as per the October school census.

This report summarises how the 2018-19 funding was spent and how we intend to spend this year's funding. Most importantly, it provides information on the outcomes of the spending and the progress made by our students.

The progress made in English and Mathematics by all students has been carefully monitored. This was achieved by termly tracking using classroom monitor. Personalised interventions were put in place for students throughout the year. When evaluating the impact of the premium we also considered expected progress of softer skills such as transition, resilience and independent working which have an impact on pupils' progress.
